## President's Message

At this time of year, the College Park Recreation Association (CPRA) Executive and members wish everyone in our community a safe and meaningful December break. May you experience happiness and contentment. As members of the community of College Park, we recognize that what are supposed to be special times of the year are often especially difficult for those facing challenge, loss, and loneliness. May we all reach out with a leg-up to someone who needs it. The College Park Recreation Association (CPRA) is a non-profit organization made up of College Park residents interested in getting to know their neighbours and working towards improving our great neighbourhood. If you would like to learn more about the CPRA or how to get involved please visit our website at [www.collegeparksaskatoon.com](http://www.collegeparksaskatoon.com) and/or contact me at [president@collegeparksaskatoon.com](mailto:president@collegeparksaskatoon.com).

Best wishes,  
Helen D. Armstrong (CPRA President)
