## RECREATIONAL ASSOCIATION (CPRA)

## FALL 2022 NEWSLETTER

### WELCOME FROM CPRA BOARD, REQUEST FOR VOLUNTEERS

Greetings from CPRA Board members. CPRA is a volunteer run Association and its purpose is to help improve the quality of life of those living in the College Park community. CPRA provides low cost recreational activities close to home in various age groups, both indoor and outdoor during Winter, Spring and Fall. We have planned a lot of fun programs for Fall 2022. We also provide community events such as in spring 2022, when CPRA executive with the help of many other residents did a back alley clean up. Together we diverted about 230 kilograms of recyclable metals from going to landfill and cleared about 2400 kg of waste from our back alleys, while getting to know some of the other great people who live here. This event would not have been possible without your help.

Joining CPRA is a great way to help ensure some of the things you enjoy taking part in will continue in the community, and you will help make College Park an even greater place to live! Please email our president for more details. Follow us Facebook, twitter, and Instagram pages for most up to date information.

### ANNUAL GENERAL MEETING (AGM) 2022

CPRA's AGM is scheduled for **Saturday September 17 from 12:30 PM to 1:30 PM** at the community rink near Cardinal Leger School. Please join us for some snacks and get to know others living in the community. It's also a good time to learn more about some of the great things offered by the CPRA. While here, you can also register for Fall programs, and see what positions are open on the executive board. Mark your calendars and join us.

### RINK NEWS

The supervised skating hours at the ice rink located next to Cardinal Leger School are from 4 pm to 6 pm Wednesdays and from 10 am to 12 pm Saturdays and Sundays.

We wanted to recognize the efforts of our outgoing Rink Coordinator, Mark Shimell, on the great work he did this past year. Over the past 2 years Mark has worked with others to help take this community rink to a condition where it is appreciated and used by many within and even outside College Park. This rink is a great service for the community of all ages to enjoy, so hopefully we get some volunteers to help keep it running! If you love the rink and want to be part of the rink crew, please reach out! Without any volunteers, CPRA may not be able to maintain the rink winter 2022.
