Playground Program: Children Under Six Years

To help children stay safe in and around the water, the City of Saskatoon requires that all participants comply with the following policy: *“For every two children under the age of six, there must be one adult or responsible youth (12 years or older) within arm’s length, supervising the children’s water play and activity.” The best life preserver for your child is YOU! Infants and toddlers participating in water play must wear an appropriate swim diaper.*

For more information on locations, visit saskatoon.ca/play to view the interactive map or call 306.975.3378.
