Save the Date: 2ND ANNUAL BACK ALLEY CLEAN-UP IS ON JUNE 1ST, 2019!! [Details below:](#)

PRESIDENT'S MESSAGE: REQUEST FOR VOLUNTEERS

Our College Park Recreation Association (CPRA) includes a great volunteer executive team that is serving the College Park community. **We are planning our second annual back alley clean-up, this year on Saturday, June 1, meeting at the College Park School around 8:45 a.m., and doing our clean-up routes from 9:00 a.m. to 12:00 noon, to be followed with socializing and free lunch for those volunteers helping out with the clean-up.** Information will also be available on our website (<https://www.collegeparksaskatoon.com/>). **We need your help!** Please email me at president@collegeparksaskatoon.com if you are available for the clean-up, and especially if you might be able to lend your truck (so that we can plan for numbers for water, granola bars, and pizza lunch, as well as for clean-up routes with drivers and walkers). However, if you are not able to commit until that morning or forget to email, that is not a problem at all!

PLEASE COME OUT, PARTICIPATE, AND MEET YOUR NEIGHBOURS!

At our monthly meetings we consider how we might extend our reach and serve more College Park residents. To that end, we are asking:

How might our College Park Recreation Association (CPRA) serve you?

Please send me your ideas at president@collegeparksaskatoon.com

College Park Recreation Association would like to thank you for your continuous support and enthusiasm in our indoor programs. We had excellent winter programs and the spring programs are almost done! We would like to send a special thank you to everyone who participated and to all the volunteers! We could not have done it without you! Have a wonderful spring and summer and enjoy the outdoor activities! CPRA wants to encourage all residents to participate in our programs. Remember if cost is a barrier, please contact a member of the executive to make alternate payment arrangements. A variety of payment options are possible. Confidential. Please make sure to watch for the fall lineup in the August edition of CPRA newsletter and the City of Saskatoon Fall 2019 Leisure Guide. There will be a lot of new and exiting programs for the whole family!

College Park Accessible Community Garden: If you are living in College Park, East College Park or Greystone Heights you are eligible to be part of the community garden. Interested individuals must email community-garden@hotmail.com to apply for a plot. The garden has a "help yourself" area on the east side and that is only for people living in the community to obtain a little bit of produce to experience the benefits of a garden. It also helps reduce individuals from taking from gardener's personal plots. Looking forward to a wonderful year of gardening!!
