President’s Message

Season’s Greetings!
So far it has been an interesting year for the College Park Recreation Association. The Annual General Meeting saw most people recommit their volunteer efforts, but there were a few new members who raised their hands to volunteer with the CPRA. For those who have graciously remained to serve the community, we thank you for your dedication and hard work. To all new members and families, we welcome all of you and look forward to working on building a strong and healthy neighbourhood.

Families have enjoyed another season of programs and activities that were planned and implemented by our coordinators, coaches and instructors. Thank you to all who participated!

Volunteering within the community is a very rewarding experience. We are still in need of filling a few positions and an extra hand or two is always appreciated, especially when clearing snow from the rink or delivering newsletters. Without volunteers all the programs and activities that our families enjoy so much would not be available. Please consider sharing a small amount of your time and taking an active role with the organization. Feel free to contact me if you have questions, concerns or suggestions.

At this time, on behalf of the executive I would like to wish all of you a joyous holiday season and all the best in 2016.

Sincerely,
Brent Wolfafer

**Program Descriptions Offered by the CPRA**

**LITTLE ARTISTS**  5-8yrs
Arts & Crafts for a whole hour! This is a structured program that will sure encourage the little artists in your young ones. Make sure to wear old clothes and bring your creativity. It could be quite messy but a lot of fun.

**YOUTH FLOOR HOCKEY**  10-14yrs old
This is a great way to develop your skills in a non-competitive atmosphere. Floor hockey for ages 10-14yrs old will be supervised but not structured. It is a great way to meet new kids in the neighborhood. Bring your plastic hockey sticks and join the fun! This program will need parent supervision. A parent notation will be scheduled on registration night. Maximum of 12 players for each session.

**MONKEY MADNESS**  3-5yrs
Does your little monkey have loads of energy after dinner? Join this evening program where they can burn off all that extra just in time for bed.

Please refer to the East College Park Community Association for more details on their programs.

Program Descriptions are also in the Winter Leisure Guide:

“Coffee with a Cop”

The purpose of the program is to enhance the relationship between the police and the portion of the community who rarely have interactions with the police. It is an effort to let people get to know officers on a more personal level and not just see a uniform in a patrol car.

Inspector Shaloveko, Inspector for East Division, will be at the February CPRA meeting. Meeting is held in the Library of the College Park School, which is located at 3440 Harrington Street and begins at 7:00 pm on February 9, 2016.

Come on out and meet and chat with the association members, the people from their communities and Inspector Shaloveko over a cup of coffee!
