

# Spring 2024 Newsletter

## Welcome from the CPRA Board

Greetings from CPRA Board members. CPRA is a volunteer run Association and its purpose is to help improve the quality of life of those living in the College Park community. CPRA provides low cost recreational activities close to home, in various age groups, both indoor and outdoor during Winter, Spring and Fall.

## Request for Volunteers

CPRA is looking for volunteers to join our Board! Joining CPRA is a great way to help ensure some of the things you enjoy taking part in will continue in the community, and you will help make College Park an even greater place to live! Please email our president for more details about volunteering.
